

# Solid Screening Sets You Up For Hiring Success!

## At MyHRscreens, Results Matter

Perform better background checks specially designed for the health care industry. With a sleek, easy-to-use interface, applicants can fill out forms, upload documents, and receive status updates on their mobile devices as well as a computer. We help companies speed up the hiring process.

MyHRScreens provides a streamlined online employment screening solution that provides easy and efficient ordering backed by best in class customer support. With your online screening platform you can order screenings 24/7 and have access to your historical screenings at your fingertips.

MyHRScreens provides a wide variety of screening solutions specialized for the health-care industry. In addition to criminal backgrounds and license verification, we also provide FACIS Level I and Level III sanction searches, OIG searches, and many more. We also provide continuous monitoring to ensure your employees are not sanctioned without your knowledge.

## Our Screening Services Include:

- **Criminal Background Checks**
- **Drug Screening**
- **Motor Vehicle Records**
- **Sanctions, Risk & Compliance**
- **Social Security Number Trace**
- **Verifications**
- **Workforce Monitoring**
- **Custom Screening Solutions**

myHRscreens™ provides thorough employee screening so you can feel confident in your choices.
